HOLCOLAC

OPTIMISED SOLUTIONS FOR INDUSTRIAL TINTING

HOLCOLAC ADVANCED COLORANTS FOR
SOLVENT-BORNE INDUSTRIAL COATINGS

Today's demands for fast and flexible color production has made tinting a necessity for industrial producers. As a specialist partner in creating customized coloring solutions for coatings, Holland Colours has the detailed knowledge to help you build and support a tinting setup that satisfies industrial market needs, both at point of sale and in the factory.

HOLCOLAC SERIES BENEFITS AT A GLANCE

- ✓ Designed for tinting machines (point of sale/in-plant)
- ✓ High compatibility with a wide variety of resins
- ✓ Industry-leading service and expert project support
- ✓ Modular system design

AN EXAMPLE OF A HOLCOLAC SYSTEM

EXISTING SYSTEM OR CUSTOM – IT'S YOUR CHOICE

Holcolac, our solution for point-of-sale and in-plant production, has been developed to provide you with the tools you need to build a customised solution at every point of your production process. Holcolac is a series of colorants with a modular structure that makes it possible to design your ideal combination of colorants and base paints to match market demands for quality at the required cost level.

HOLCOLAC OUTPERFORMS THE MOST DEMANDING REQUIREMENTS

The Holcolac series is designed to meet and exceed the demanding performance requirements of the industrial coatings market. Holcolac's comprehensive selection of highly pigmented, non-aromatic colorants deliver superior opacity and weather fastness, as well as heat, light and chemical resistance. The series is widely compatible with diverse technologies, from short or long oiled alkyds to polyurethane, epoxy and NC systems.

A PROVEN RECORD IN INDUSTRIAL COATINGS

Holland Colours has provided colouring solutions to the coatings industry for the last 30 years, and today we are partnering with customers globally to optimize the delivery of colour to the end user. As a complete systems supplier Holland Colours also offers water-based colourants (Holcolex) to address the increasing demands for eco-friendly industrial products.

HOLCOLAC SOLVENT BASED COLORANT SERIES
